

The background of the entire page is a vibrant yellow. It is covered with a dense, abstract collage of white and gold geometric shapes. These include various sizes of circles, squares, triangles, and stars. Some shapes are solid white, while others are gold or have a textured, metallic appearance. The shapes are scattered across the page, creating a festive and dynamic visual effect. In the bottom right corner, there is a large white triangle that serves as a frame for the Table of Contents.

Greenhill

Groundbreaking
for the new Lower
School, marked the
fulfillment of a
long-held dream.

The facility will be completed in Fall, 1986.
Middle Schoolers and Faculty joined in the
celebration, and balloons were launched.

Greenhill
Scout Troop 718
celebrated homecoming
with a color guard,
bearing our national
and state flags.

Homecoming festivities center around sports, and Greenhill singers, musicians, cheerleaders and scouts, make it a whole-school celebration.

Trammel Crow's Greenhill Park Model is viewed by Irma Grossman, former chairman Irwin Grossman and Rusty Rose, faculty members Drew Parham and Sheryl Ellis. It will enhance our community in many ways.

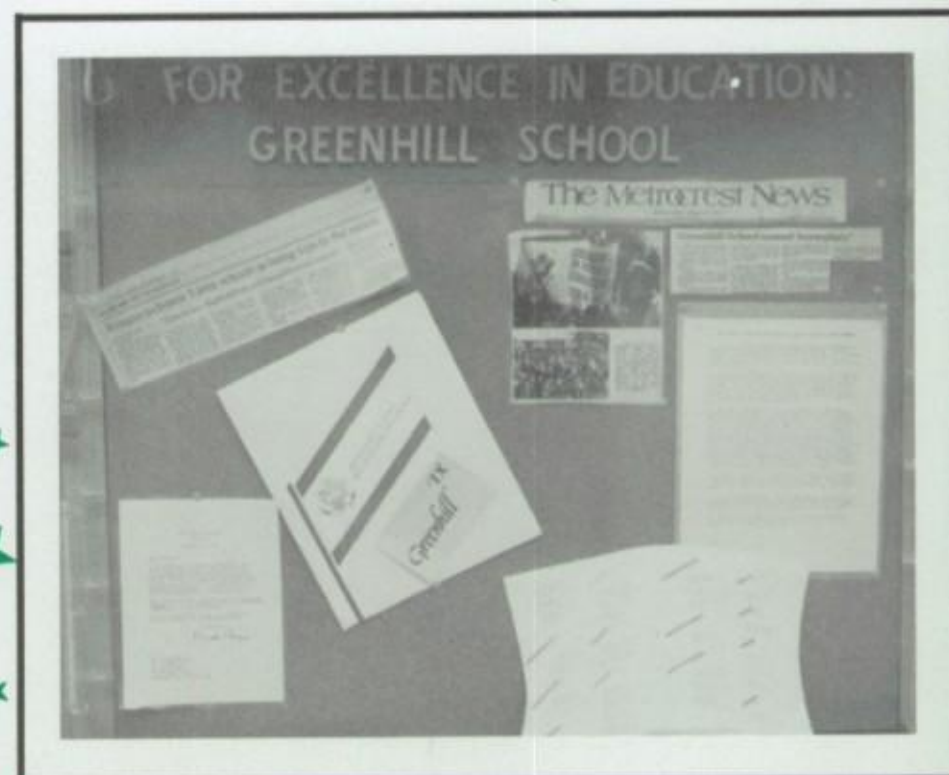

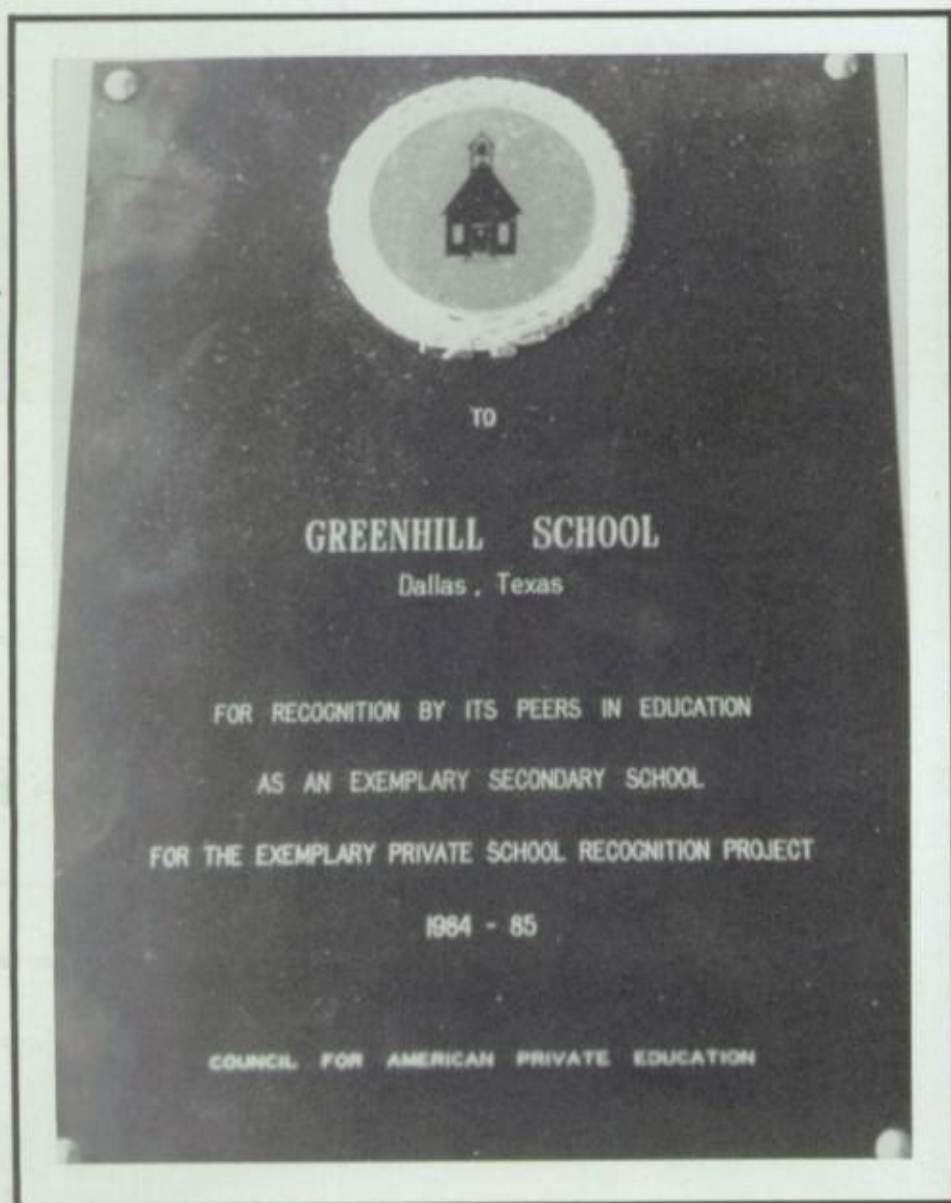

Greenhill Receives National Exemplary Recognition

If there has been one word said more often than any other during the '85-'86 year, it is "exemplary." On March 26, 1985, educators Steve Parsons and Harold Sheets started a three-day visit at Greenhill for the Exemplary Private School Recognition Project. Messrs. Parsons and Sheets wrote a report divided into the basic categories: Philosophy, School Objectives and Practice, Leadership, Financial Management, Faculty and Staff, Students, Parents, and Social Responsibility, as well as a Summary; under each category they had to answer specific questions. Perhaps their reaction is best gauged with part of their summary: "Greenhill is an excellent school in many respects. However, in my view, it is particularly exemplary in two very important and observable areas. First, they place demonstrably high priority on people. . . . Secondly, the high school students were delightfully open and frank. . . . This observer recommends them as an exemplary school without reservation."

In June of 1985, the list of exemplary public and private schools was released. Out of 65 private schools and only 17 secular schools nationwide, besides being the only private school in North Texas

named, Greenhill was designated exemplary. Mr. Foote - Headmaster, Mr. Stifler - Head of Upper School, and Mr. Murphy - Assistant Head of Upper School, went to Washington, D.C. on October 1 to accept the plaque and flag from Secretary of Education William Bennett. Upon returning, a flag-raising ceremony was held on October 3 with all students, faculty, and staff present. Sixteen students representing all grades assisted in presenting and hoisting the flag. In his speech that day, Mr. Foote answered the question "Why Greenhill?": "The simple answer is that we are a real community; - a supportive community. We are a school that demonstrates an open, caring environment where relationships between student and student or student and faculty are natural - not manufactured or nonexistent. We are a school that demonstrates hourly that we can meet the needs of each student - not just a select few. And that is where we can draw the line and step away from the average - the mediocre." Indeed, the granting of exemplary status has been one of the greatest celebrations of the year; it is a celebration of national recognition for the excellence we pursue every day.

Mr. Foote presents the Exemplary flag and plaque to the faculty and student body as Mr. Stifler, Clay Deniger, Andrew Foote, Chip Hunter, Mr. Devin, and Mr. Murphy look on.

The entire school awaits the raising of the Exemplary flag on the morning of October 3.

The school applauds the unhurling of the flag by student government representatives.

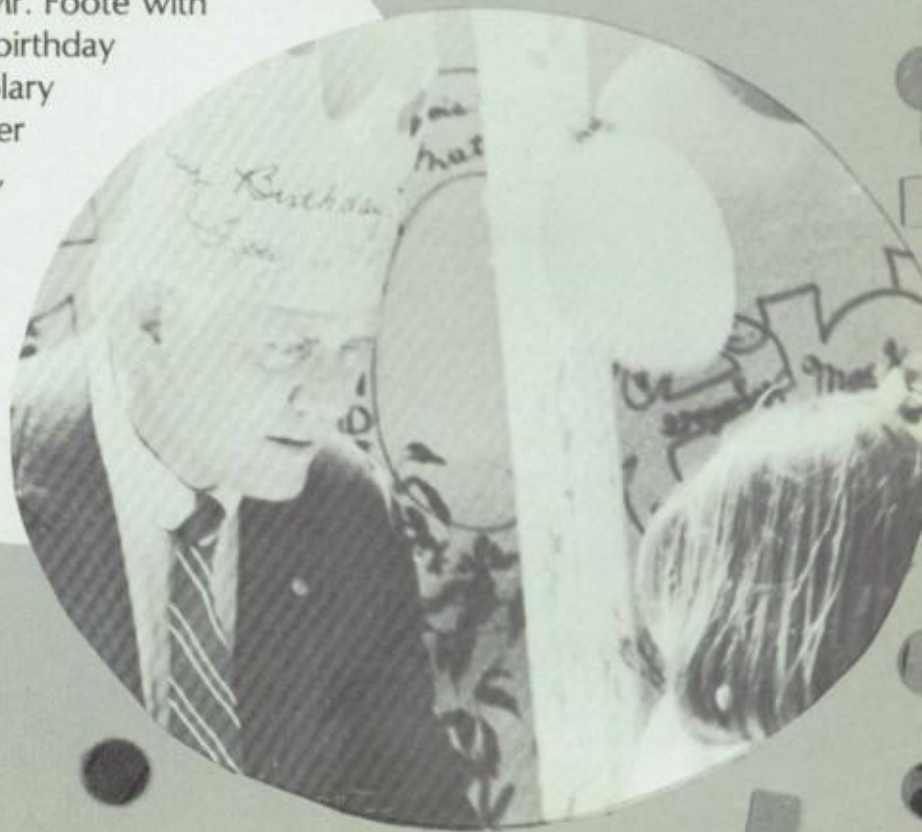

The U.S., Texas, and Exemplary flags billow together to - as Mr. Foote put it - "remind us that we are the best."

Faculty

Foote welcomed
them to an exemplary
school, and to un-

Crown for his exemplary
career: Head of Lower
and Middle Schools,
and nine years
as Headmaster.
Congratulations!

In Appreciation

Mrs. Estelle Dickens

With Mrs. Dickens, we celebrate growth, change, pride, joys, accomplishments and creativity, all the ingredients that have comprised her twenty-five years of dedicated teaching and administration at Greenhill.

In the Spring of 1985, Greenhill's Board of Trustees honored teachers, staff, and administrators for their talents, skills, and years of service. Estelle Dickens was the special honoree. She was surprised with a video tape of the first thirty-five years of Greenhill School, a ring, a diamond studded twenty-five year pin (the first awarded), and a basketful of love-notes from Lower School students.

Celebrating a new beginning is the construction of the new Lower School building, which was designed around a list of needs and desires drawn up by the faculty and orchestrated by Mrs. Dickens. She is always ready to show off the design and whenever possible, the building. At each stage of construction she is peeking over the builders' shoulders.

The evaluation team wrote this commendation, "The faculty look to receive from the Lower School head, all the support, visionary leadership and knowledge necessary to maintain the exemplary status of the Lower School." With her head in the clouds, and her feet planted firmly on the ground, may she continue to use her unique talents to make our school better for all and help to create the atmosphere and experiences that encourage each individual to reach their full potential.

Senior Class Dedication

Dr. Marilyn Stewart

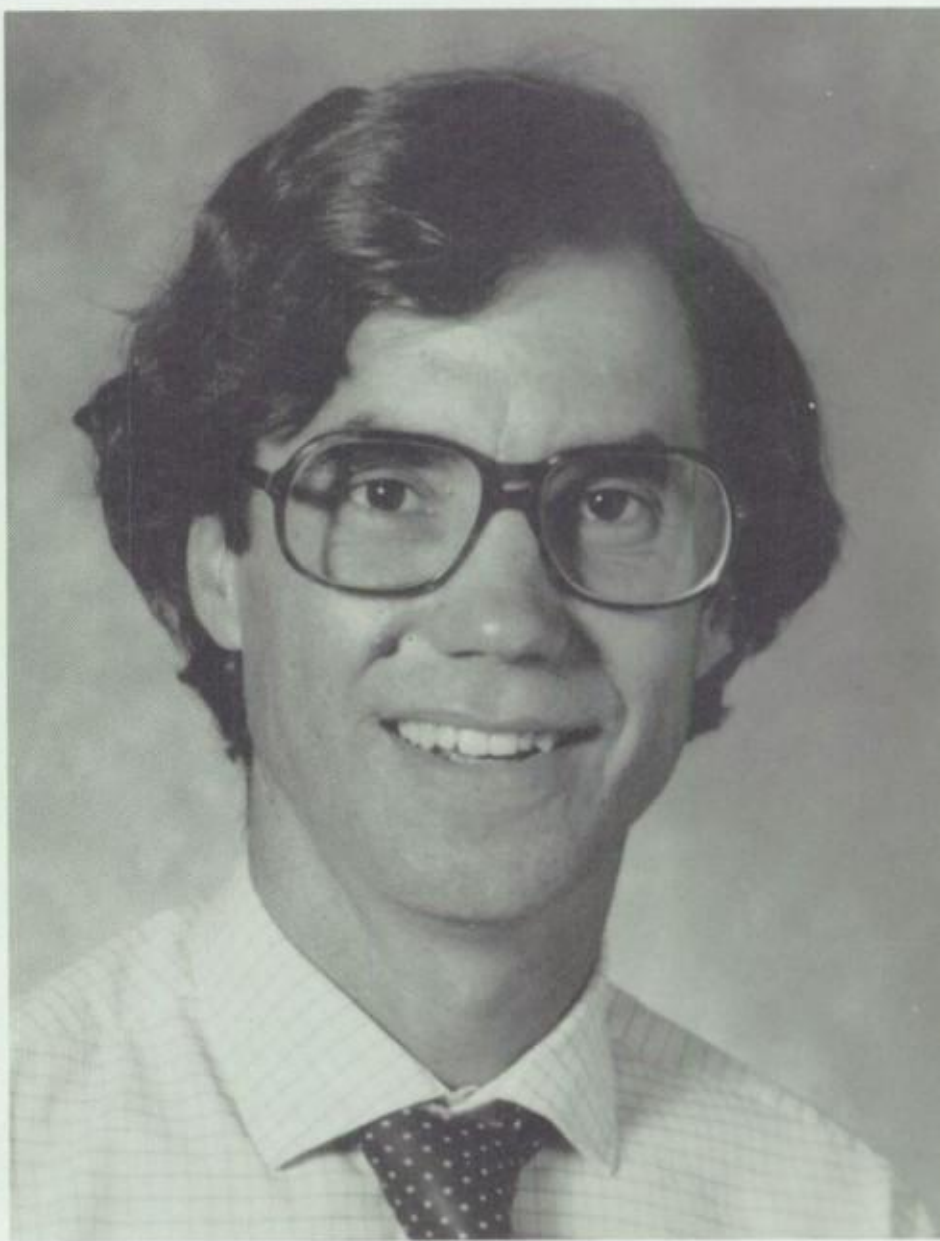

Since 1982, Dr. Marilyn Stewart has brought her enthusiasm to Greenhill, as an English teacher, club sponsor, and advisor. She came to us from SMU, where she spent six years teaching composition and literature. Previously she taught tenth and eleventh grade English for two years at Sunset High School in Dallas.

She has written a number of critical essays, published in English journals, including "Parody as Affirmation: *Don Quixote* and the Carnival Rhythm of Action," published in the book, *The Genre of Comedy*. She has been a Delegate Assemblyman in the Modern Language Association, and for the past three years, has taught at the Dallas Institute of Humanities and Culture.

During her time at Greenhill, she has taught Freshman English, Tragedy, The Novel, Comedy, Junior Composition, Senior Rhetoric, Journalism and writing tutorials. She is a twelfth grade advisor, and sponsor of *Evergreen*.

With a broad range of interests from writing, theatre, and ballet, to aerobics and gardening, Dr. Stewart has been a welcome and valuable member of the faculty. More importantly, she is a caring, warm person who is willing to help students in a variety of ways.

Mr. Peter Norris

Mr. Peter Norris has been involved in an amazing variety of areas at Greenhill since 1976, when he joined us. Not only has he taught almost every course in the Upper School English curriculum, but has also been *Cavalcade* and *Evergreen* sponsor, a member of the Admissions Committee, Co-Director of Summer School since 1983, author of the Freshman English curriculum in 1979, and is presently the eleventh grade class coordinator.

He has written a number of essays, including "Every Child, Every Moment," published in the *Independent School Journal*. Besides English, he knows German, French, Spanish, and Persian; his interests range from frisbee to Eastern religions.

He is always there to answer questions, solve problems, or just talk, with a warm personality and a genial sense of humor. For the past ten years, Mr. Norris has been teacher, friend, and active contributor to Greenhill community as a whole.

Mr. Phillip G. Foote Accepts Exemplary School Award

SPEECH FOR THE EXEMPLARY SCHOOL
RECOGNITION AWARD CEREMONY
Greenhill Flagpole, Thursday, Oct. 3rd

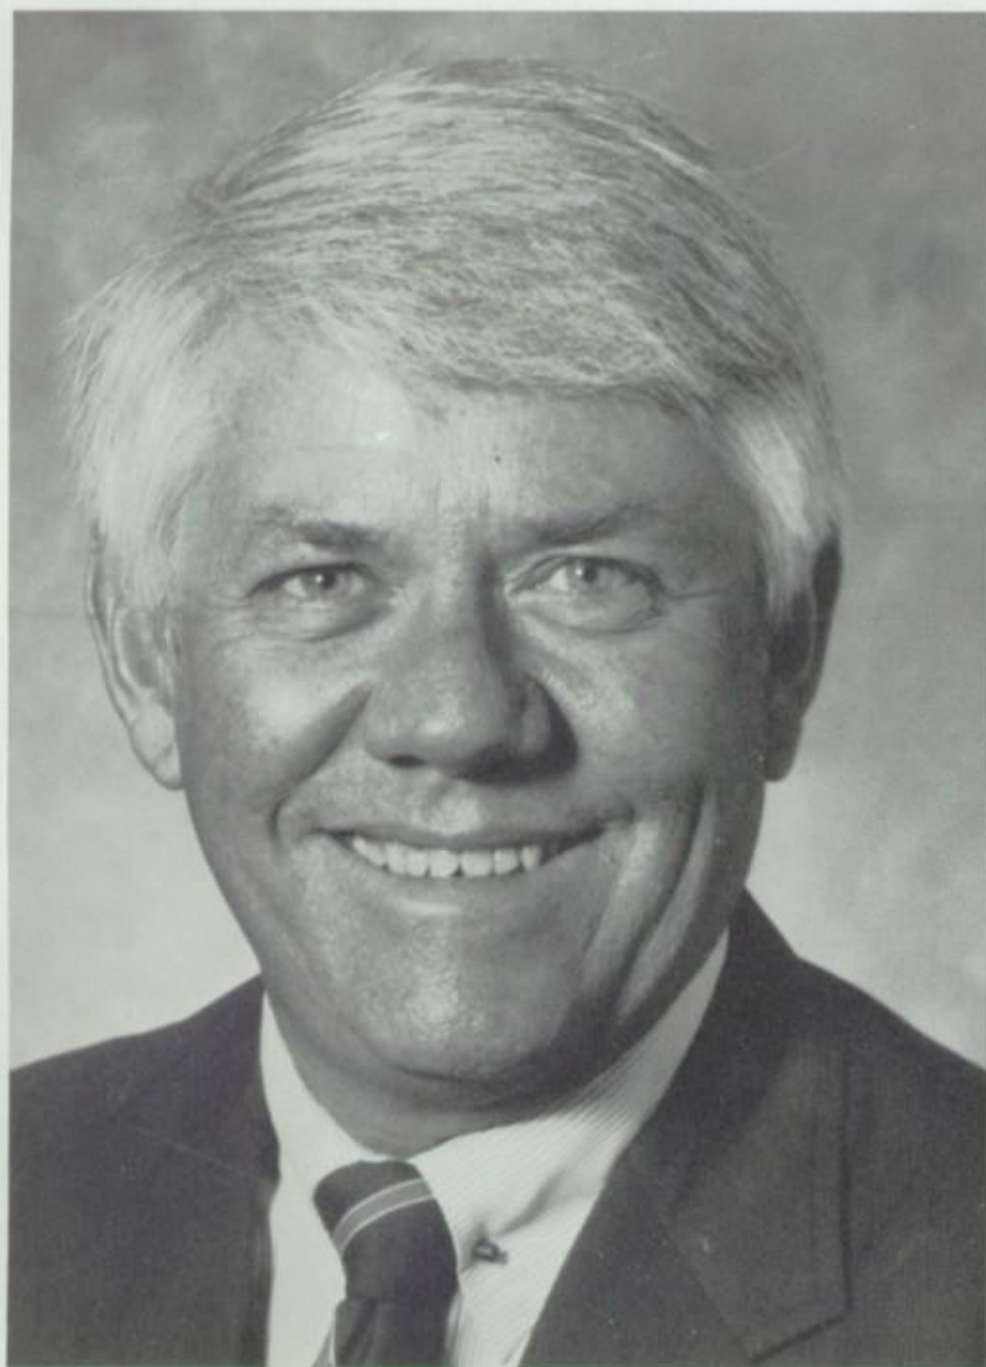

"Two days ago as Mr. Murphy, Mr. Stifler and I stood on the back lawn of the White House we were overwhelmed by two very powerful emotions. The first was pride - pride in each one of you - the student, the teacher, the parent. The second was sadness - a sadness that each one of you could not be there with us to accept this award. And so it is now my responsibility and my pleasure to transmit from the lush green lawn of the White House to the sun baked Texas prairie the answer - Why Greenhill??

The simple answer is that we are a real community - a supportive community. We are a school that demonstrates an open, caring environment where relationships between student and student or student and faculty are natural - not manufactured or nonexistent. We are a school that demonstrates hourly that we can meet the needs of each student - not just a select few. And that is where we can draw the line and step away from the average - the mediocre. We can and do demonstrate that we truly

believe in diversity and plurality - the 2 basic concepts on which this great nation was established. The uniqueness of Greenhill goes beyond the fact that we are simply white, black, brown, yellow or Christian, Jew, Muslim, Agnostic - it pushes below the color of the skin to reinforce diversity and thereby create and encourage respect for individual thought. You are each here to learn and grow in the process of thinking - the teacher remains the student - and often the student becomes the teacher. A famous old Greek by the name of Aristotle once said, "Parents give you life, but teachers give you the art of living." I encourage you today to continue to give to each other the art of living.

The award today goes to no one person - no one program - no one division of the school. Instead it goes to this supportive community where everyone is a learner - and everyone is a teacher. We have all together worked hard to create this very special culture. I congratulate each of you - you ARE THE BEST!!

And so now from President Ronald Reagan thru Secretary of Education William Bennett from Mr. Stifler, Mr. Murphy and me I present to each and everyone of you the Exemplary School Award."

Mr. Foote presented the "Excellence in Private Education" banner on October 3, 1986. Greenhill is one of 65 private schools in the United States to receive this honor.

I leave you all the times we talked about Seattle and Baton Rouge, our banana and coconut concoctions, cruisin' Nottingham,, Fred Babb (we love you!), the long drives to each other's houses, codename Maxwell, tubesocks, Austin, talking in your sleep, old men trying to run us off the road, planning to go to UT together, talking until two in the morning, I'll never say "y'all", who still sleeps with their blankets?, I can't sleep with this pillow, and these last two years. Thanks for being a great friend! I love you. Nancy T.: Ride the peace train west, man. We really should have dinner some time soon! Mary N.: I leave you all of the hours of English classes that we had together. You're a great artist and don't go to a business school. Katy: I leave you all of the times you cheered me up. You really helped me relieve the tension of school. Ben and Martha: I leave you two more years in orchestra and my love for it from the last two years. Alisa and Janine: I wish I could have been with you the last two years. I made it but I miss you so much. Seattle will never be the same. To my parents: Thanks so much for everything you've done for me. I know I've been hard to live with a lot of the time but I really love you very much! These last two years have been hard to get through, but I feel I now have a new life to begin.

The peak years of mental activity are undoubtedly between the ages of six and eighteen. At six we know all the questions. At eighteen we know all the answers. Anonymous

Hey you people - types, Did I ever tell you that I enjoy soaking my
feet in pig slime lightly seasoned with tomato seeds and marmot insides?
I bet there are a lot of things that you didn't know about me. Let me
share some info wichoo: I never did my C.E.R. S.A.T. book, and my score
improved (Jrs, that was for you), the English interims that were sent home
7th, 8th, and 10th grade saying that I was making a D were burned on
a brick in my alley, I eat bird eyes soaked in cow lard, Hilary silver and
I drew great pictures and tried to start a magazine in 1-4th grade, I did
study for all those quizzes Mme White said I didn't, in the third grade
mock election, I voted for Carter because I thought he was cuter, I sold
the rights of the world to a pregnant alien, I am as sane y'all, probably
saner, toodle-oo old fruit.

I, Abram Castro, being warm, friendly, witty, intelligent, and clever, do hereby attempt to conjure some of the memories that have made my stay so pleasant: Alison - going together, bad movies. Melanie-a-student/neighbor/cousin relationship. Joel - the snake, a racquetball, and best wishes in your sportscasting career. Rauan - chemistry, Sun City, and a mutual distaste for the NHS. Tina - the farm, 8th grade disaster (still sorry), and a promise to stay away from the fruit. Jennifer L. - trip to downtown, "We missed New Years", and a hope that we remain in a Pax Abram & Jennifer. Judy and Lee - our 1st string, a well planned date with R.W. (sometime), and a wish that you remain the Bud twins. Tracy J. - please see me. To the Alliance I leave my respect, gratitude, and hope that nobody gets killed before this "college thing" is over with. To the Buff I leave Kicks America, a promise to never again tell you how open I was and an open door at my house anytime. Clay - the unique ability to capture the moment, college trip(?), and a mutual understanding of life in general. Chad - nights at your place, harsh words for anyone & everyone our Sophomore year, and an "I smell . . ." for college. To Andrew - a patio talk, bike ride, a country road forever in fear of the return of B.B.3. I'm sure we'll both get what we want, It's just a matter of time now. (see you in Washington). Kevin - a few interesting rides to school, a band to go with your new keyboard, and a sincere good-luck for whatever you do Red Sonya. Chip - our 8th grade typing with Jill and the Cars, a glass of punch in your face, and a happiness that you were able to make the break from Kelly . . . John P. - Bunkers, a very strange day in Middletown, a new microphone for both T.S. and the one destroyed in the Wiz. I have thoroughly enjoyed our days spent as the comedy trio. Kyle - "She took the wart off her face!", a thanks for the man who in 7th grade taught me to egg cars, in the 10th to drive like a fool and in the 11th to get fired from my job. Marc - "Kiss her Marc", a picture and some burgers at Bunkers, and the shower you always wanted at A.D.'s. John w. - an academic past riddled with our unfulfilled potential, a tree & some orange peels, and thanks for the last 9 years. Richard - coalition, double-dates, "I think we're turning into each other", "Them boys is shoot'n cows!", an idea that we could make anything work, and a wish that may you find someone to take my place in college. Jennifer - a Sunday drive, S. of M., and a few other goodtimes these past years. Gina - the Big Boy, that time you left me at Wendy's, some blind dates, and a college where we can both go. To Everyone I've forgotten - It's not only a matter of space, but of time, this is all ready a month late.

Mom, Dad, and the kids: Thanks for all the times that you have silently put up with the Greenhill "brat" all these years. The education you have given me is unbeatable, the love is invaluable. Thank you Lord.

I, Craig Fischman, being fine, and being told to write a phrase or two to people so we can remember everything that happened, when in actuality if they do forget everything that happened I'll probably kill them, do hereby write the following: Chris: stock in the king, the essential party cups filled with Drano Meister, a pile of speeding tickets you should already have, and all the classnotes we missed (both volumes). Robb: a scholarship to Noise University, and permission to have another wild party. Tim: I give you authorization for every band decision that I didn't authorize. Doug: you should have gone ahead and failed a grade so you could have been with us. Bert: you were lucky and you know it. I give you a car that weighs half the Bertmobile, but with an engine that's twice as big. Jeff: your ability to get into trouble and then get out of it just as easily, and the money from a liquor store robbery in Seagoville. Lisa: 5th period, your own Brown Hornet, and a 12 page analysis of the molecular structure of water. Greg: the car you were supposed to get 3 months ago, wild parties, and all the music equipment you could want. Phil: lunchtime in the summer; if I find you 20 years from now with no food, clothing, or shelter, you had better at least have a guitar. Lael: your old house, only relocated to the remote mountains of Montana, a porcelain cactus; you are the studdiest studdly fellow. Mel: tons of straws, bestest buds; there's more, but I'll tell you later. Lara: a secret desire to be another religion so you can put up Christmas lights and I can go on church ski trips. Charles: if your lucky, maybe I'll be up near you next year so I can bother you some. Mom and Dad: just watch, when you're old and in the retirement home, I'll probably own all the land within a 100 mile radius of the home.

This is the current reality: To those I leave - to Casey, I leave an American Mystic riding a motorcycle on the river of life. To Pete, the only other one who knows how to treat girls. To Coach Holodak, Born to Run, A.M. workouts, training on the sand dunes of Arizona, "just give me a little time." To Mr. Williams, a straight razor I've learned to use. To Mr. Kilmer, thanks for teaching me all those song lyrics and the first two steps of Physics. To Dr. Graves, a rowboat, a surfboard and the power cosmic, treading water on the river, am I going to drown? To Jennifer, Calculus and the rest of my advice. To Lael, "You ain't a beauty but hey, you're alright", "The door's open but the ride it ain't free." To Stacy, my best friend since second grade, but I still want to touch your shoulder pads. To Mindy, a summer of longing, thank you for being there. To Tina, the wild and the innocent, a house with an open roof, one date - that was enough. To Amy, The Spring Rain, beautiful women inspire beautiful poetry, did you sell my story?, everything changes but love and truth. To Donna, late nights, lake house, and love poems. Little girl, I will always take care of you. To Greggor, a motorcycle and a friend with whom to share success. To Kevin, the only other to survive the pleasure dome, Cactus Club. To Warren, I love it too, the Class. To Rubin, Anatole '85, so you want to learn about girls?, Austin. To Richard, "Them boys are shootin' cows!", the talks, a motorcycle trip to California, fighting. To Buffin, "I'm your Host?", house watching, "What did I say to her?", the edge of time, you hold my sincere respect and admiration. To Kyle, the "secret", tutoring in history, Sophomore French Exam, slumber parties. To Chad, flags waving, the Avenger, the bluffs and late night running, track. To Chip, the faith, the Outsider Club that never meets, I promise I'll teach you to ride, when you want to leave, you just leave. To Clay, the push-up contests, skiing, late-night papers, my ideas, the talk no one else can do, a short acquaintance but an eternal friend. To Abram, looking at the stars and this world, future dreams, the family man, hunting, it must be nice to know what's right and wrong. To John P., "Perryman's up in the tree"; you, me, and Peter Lee; soldiers and the creek explorations; what is and what should never be; King Fudge; you understand, don't you?; the sharer of my deepest secrets and the closest a person can come to being a brother; if you want me to help you build your house, just ask. To David and Amy, it seems like we really don't know each other but we do, remember Honey and Henny's, baths (Amy?), and every summer we've shared, when I'm not taking care of you, take care of me. To Mom and Dad, you taught me all the tunes I know, everything I do is to make you proud.

I remember being a little boy, and visions of Greenhill.

I, Phil Hopkins, being of mind and body, will now will my will. GREG, a few drummers, Doug's, getting lost in Rome and ruined in Greece, Ted, VH, Top, - Lisa. I might also spot you a few SAT pts. ROBB, some good drumming, some bad drumming, Godfather's, and may you never have to wait 11 months again. You might want a better looking sister, too. To CRAIG, I leave the Columbian Bros. They need you. JEFF, Texoma is yours, as is the warehouse, and the role as my first business partner. DAN, you are the only guy I know who has charged people \$3 just to get in his gate. Great party, great capitalist. To DOUG, Jody. To JODY, Doug. Say hi to Kansas for me. KLAZ, a man above honor or for that matter, societies, you need brain damage so you'll be forced to study to make A's. To JOEL, a new sax. To RICHARD, I leave our longtime friendship and a new carpool. To TINA, life in the weird lane. Strange lane. Life in the Twilight Zone. To S.S. and J.G., CU at UT. To BERT, the T. incident, jacuzzis, the obscure reason we took X-C, "no pain, no problem," and everything left unwilling. You deserve it. Maybe a bigger car. To my BROTHER, a line of favors reaching all the way to the bank and a car to get there and collect. I love you. To CAROL, I won't forget about you. To JEWELL, I can't forget about you. You are both more important than anyone else and you supercede supercession. To my parents, I think you should have another kid. Practice makes perfect. I love you both. To God, thank You. To the Seniors, we're finally over The Hill. But we had more fun getting here than anyone ever did. See you in Colombia.

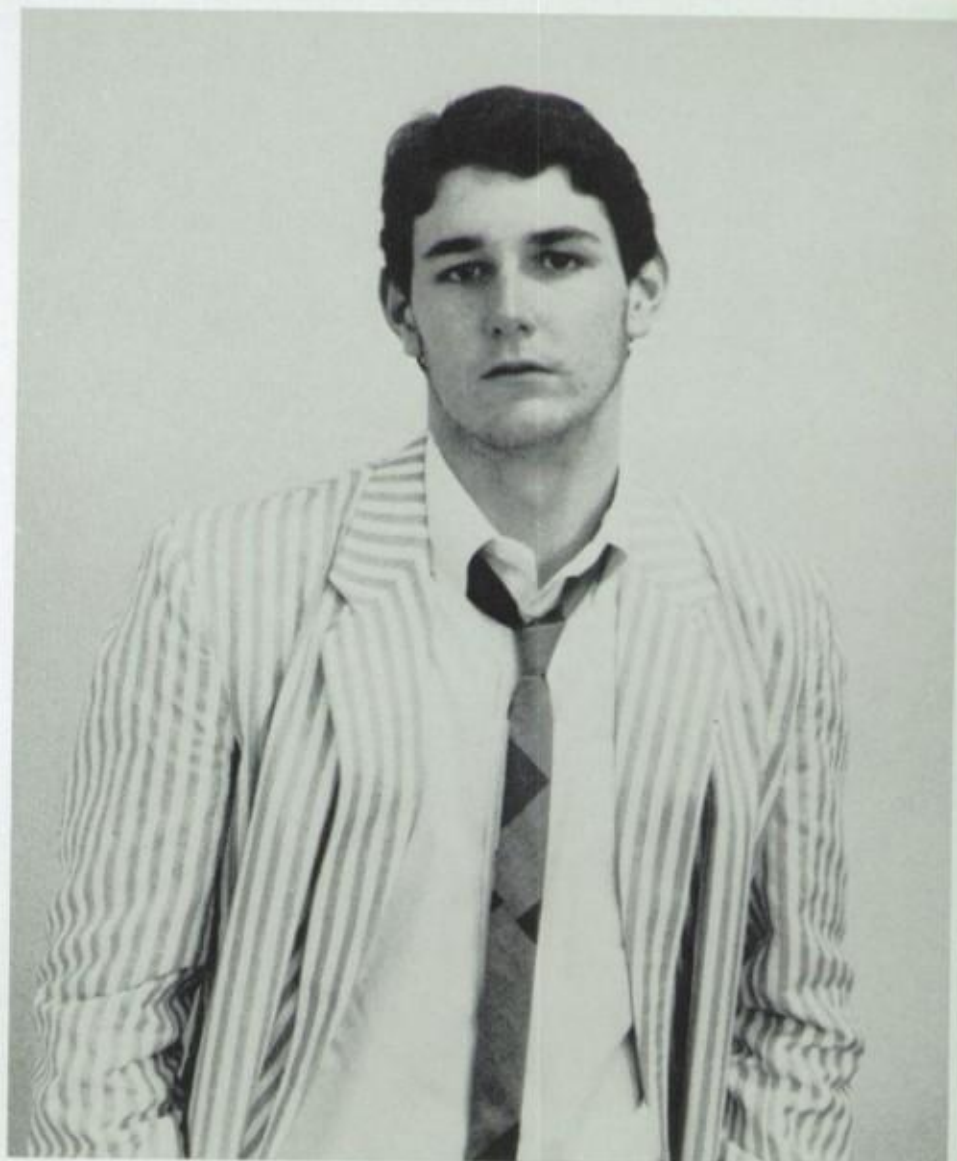

I won't see you again in this world
I'll see you in the next one
Don't be late

To my brother of mathematics who sits in front of me I leave a shared

MRS. EDWARDS: I've said it before, I don't know how much talent I had when I met you. I firmly believe what I am now and what I am striving to become has stemmed from you. You were there when I needed to talk. You were more than a teacher, you were a friend. I LOVE YOU.

SHARON: At this moment it has been about 12 1/2 months and they have been the best months of my life! I love you more than you will ever know! You are the most important thing in my life. I'll never forget: studying, bubbles, late night swims, parties, upstairs, long telephone conversations, movies, 10, Sally Field, shopping, hugs, rabbit fur, and much, much more. I LOVE YOU BABY NO MATTER WHAT HAPPENS! I LOVE YOU.

Well it has been a very long 13 years and I can't say I'm not thrilled to be leaving, but I am, so - so long Greenhill it was DELOVELY!

Sometimes I think my head is so big because it is filled with so many dreams (The Elephant Man) "I am what I am" (La Cage aux Folles)

I, Pierce Marshall Jr., being of "how fast is it from 0 to 60" mind and not too muscular body would like to leave the following objects of memorabilia to certain people of more than just a general acquaintance. To Tom Holodak and Mr. "B": thanks for the guidance in a sport which has helped me in all aspects of life; I know now that a strong will to go on leads to more than just breaking 18 min. To Dr. "B": my respect for you goes beyond that of a normal student-teacher relationship; what you have taught me will last a lifetime. To Phil: success in showbiz, a surfboard for UCSB, and the proof that Eric Clapton is related to God. To Bert: a happy life w/Randy, a waterbed for the backseat and a new tire for the Bertmobile. To Greg: a life w/Lisa, the Science Club Presidency, and figuring out the angular velocity of me and my car as I drive off a cliff. To Jeff: a half moon at Norbuck, the cancelation of the APB put out by the Seagoville Police, and a race to second gear. To Craig: my car doors, and all the harmonies to Led Zeppelin. To Robb: great pool parties, "I'll put \$5 on that shot", a car that will avoid curbs, a great looking girl from Richardson, and a stereo that shatters windows at vol. level 1. To Dan, partner in Economics: "When's your house going to be finished" all the WCT matches, "that's 40-0 stupid!" and "Look it's smelly woman", life w/an '84 Corvette "Is your car in the shop again" Let's play another game of pool . . . say \$8 a game, \$7, \$3.50 cents? Economics and Tennis, one day it's going to kill us and someone driving on Preston due to a ball coming out of nowhere. To Clarissa, which memories are the special ones?: golf course walks and the 15th hole, rides to school, the Plano Police Dept., a cobalt blue IROC-Z, "You got another ticket!?", arguing over the stupidest things, your 18th B-day, getting Muffy and Theo together, "Nope, I'm not going to bet w/you any more", The Final Alternative, "Well, we can always rent a movie". Here's to nobody understanding our relationship. ILY. To my parents: thank you for showing me that my health and good values are the best possessions to have. worker '85 . . .

I, David Matyas, being of sentimental mind, look back and remember many significant details of my twelve years on the Hill. In one way or another everyone at Greenhill has affected me. You have taught me more than just Math, English, Science, and History; you have taught me about myself and how to better face the 'real' world out there. As I climb down from the Hill, I will be taking with me many experiences, friends and memories which I will remember the rest of my life.

Here are a few things that stick out in my mind.

First day of school. The Gorillas. Peacock feathers. 4th grade crush. 2nd grade Homecoming sleepover. Amadeus? Veeg. Georgetown. La-ren. Chocolate chips. *Big Chill*, *Breakfast Club*, *St. Elmo's Fire* trio. KU. Drive in Queen. Vague. OO-LA. Le Must. Layouts. *Rocky Horror*. I don't do . . . Bar Mitzvah parties. Trak. The Egg. Nice. Vassar. California '84. Obsession. Lay-L. Indian Guides. Chili's. Makeup 7th period. AHHHH!!! Akiba crush. Racquetball. UT Journalism Workshop. *Romancing the Stone*. Totally hot ??? Long talks. The bomb - No the swimming pool. OY-VEY! Shnookums. When are we getting married? Nice . . . Girls. The Tree. How are the kids? Don't worry your secret is safe with me. Daisies. Ice skating. Girls from NY. Taken? COLLEGE HERE WE COME!

MIKE AND JUDY: Surprisingly enough, I endured. Your advice, patience and willingness to listen has been of tremendous help to me. I'm truly lucky to have you as my brother and future sister in law.

MOM AND DAD: The word 'thanks' does not properly express all the emotions that I feel for you. You have been there when I've needed you. You've yelled at me when I've needed someone to talk to. I may not tell you often enough, but I love you! Here lies my past. Goodbye I have kissed it. Thank you kids. I wouldn't have missed it.

I, Melinda Jill Menzer, being of unique mind and young body, do attempt the impossible (and painful) task of fitting 10 years into 50 lines and leave: (Ooo, the proper use of a colon!)

To Elena - a McDonald's "watch," a diploma, and everything in between. "Man, I love that dirty water . . ." * To Carey - "American Pie," Biology, James Dean, and looking up at the glow in the dark stars on your ceiling it seems like a hundred years ago. * To Andrew F. - A little reality never hurt anyone. But then, it probably didn't help any. A copy of *The Razor's Edge* autographed by me and a trip to anywhere. * To Rauan - Calculus, the Nobel Prize for Literature, a talk about life, and friendship. * To Colin - you win the Melinda Menzer Favorite Freshmen 85-86 Award. May your ox box ne'er grow too heavy. * To Clarissa - the Who playing VERY LOUD, a golf course, and something else. * To Hilary - Confirmation '84! and a lot of rides in a red MG. * To Becky - #10 - we all need something to fall back on - and the Melinda Song. * To Steph - David Bowie, a messy locker, and London. * To Janine - debate, boyfriends, and a good talk. And holding a grudge and getting over it. * To Anna Lee - your accent, my accent, people we can live without, and 2 smart people failing everything. * To Julie Mac - the irrelevance of age, and a policeman on Forest. * To Maggie - the * %@! French language - it's just like English only with different words in different places with different rules. * To Dianne P - "Do you know how to do the Calculus?" "I don't know" "Let's get Rauan." * To David M - the lack of my constant presence. * To Cynthia Bright - the disciplining of debate partners, a guy from St. Marks, the question of the car (in or out?), and the name of my first born child. * To Laura (and Joel) - a billion tournaments on a billion weekends and a billion thanks. * To all my teachers - try not to call my sisters "Melinda" too much, O.K.? When I'm rich and famous, you can take the responsibility. * To Teddy - well shortcake? A pack of cards (or not?), the trunk of a Toyota, San Antonio, Baylor, "I'll call at 2:00 exactly," the song Mick Jagger wrote for us, the people at our wedding, . . . geesh, and a million things more. I love you.

This education has been made possible by a grant from the Leon and Alice Menzer Foundation. To Dad, I leave 2394 SAT books and the location of my spleen; to Mom, I leave the dog to keep her company when I'm away. To Erin and Katie, I leave the bathroom, the bears, and the curse of my example. Don't think just because I'm graduating you're getting rid of me.

To Greenhill - well, guys, it's been a good 10 years. I leave all the complaints I've made; they can probably be recycled and reused. I miss you all already. Ach, too bad! 'Bye.

Senior Retreat/Holiday Project

Saturday, September 7, the senior class formed a caravan and travelled to Camp El Tesoro on Lake Granbury. The purpose of this "Senior Retreat" was to unify the class and make Christmas stockings for students at an elementary school. During the seniors' stay, they did a lot of swimming and singing, and made forty stockings.

On Monday, December 16, the seniors travelled to Dobie Elementary School, where they delivered their gift-laden stockings to excited kindergartners. The children performed a dance they had prepared, and Santa "Kyle" arrived. Each child sat on Santa's lap and met the "elves" that gave each his presents. After talking with the kindergartners, and opening presents the seniors felt great about giving to children who appreciated their thoughtfulness.

Senior Halloween

In celebration of Halloween, the Class of 1986 followed the Greenhill tradition of Senior Dress-Up Day. A parade through the school in the morning allowed the Seniors to display their homemade costumes, which ranged in theme from fairy tales, to commercials, to movies. The excitement of the day culminated in the appearance of a photographer from the *Dallas Morning News*, who took pictures of the costumed students in a U.S. Government class. The result of the photo session was a picture of Chris Mulder in a chicken suit, printed by the *News*.

"I remember how excited I was the day I landed here and that I felt pretty insecure about all the challenges that awaited me. I was not only worried about my expectations, but the expectations of the people I would live with. I tried not to fix my mind on the stereo-types of Americans, and especially of Texans: the Wild West and cowboys.

I was scared that people here would perceive me as the typical German, not treat me as an individual. I was not sure how you would deal with history we have. I tried not to seem like a teacher, but to be myself in answering questions, such as, "Do you come from the good or bad part of Germany?" That showed me how little we know about each other.

I hope this has changed by now. By visiting places such as New York and San Francisco, I learned alot about this great and fascinating country, and its wonderful people. By being with you, my stereotypes transformed into concrete pictures of individuals.

It took quite a while to get used to everything new: so many great things here that made it easier for me to adjust, but will make it tough for me to go back home.

I will miss my hosts the Rules, the Melmeds, and my great friends, and Greenhill. I also discovered tap dance and photography, an acting class and extracurricular activities.

Thanks alot to you all for being such great and supportive friends and for showing me so much understanding."

Sincerely,
Marika

Second Grade Show Pets

Each year second graders plan a pet show, and that usually guarantees rain. But on this Friday, sunshine and smiles prevailed. Proud owners showed off their pets and answered questions about their care, likes, and dislikes. Judges awarded ribbons for "Longest Whiskers," "Happiest Ending," "Softest Fur", and the many other categories that make Greenhill pets unique. Middle and Upper School visitors reminisced about their Pet Show days, sharing in the enthusiasm for a special Greenhill tradition.

Pre-School/Lower School Halloween

This year the Greenhill Pre-school was full to the bursting point, and that meant an extra measure of goblins skulking about on Hallowe'en. 100 marched in the morning, and 22 in the afternoon parade, and both groups were led by none other than Babar the Elephant! (Dr. Rule). Carrying signs inviting schoolmates to come visit and share their talents, the costumed Pre-schoolers trooped the entire campus, to thunderous applause.

Lower Schoolers not only paraded around the campus but enjoyed wonderful and fun activities in their homerooms in the afternoon. Room mothers brought games and goodies for the students.

Homecoming - An Outstanding Celebration

Perhaps more than any other celebration, Homecoming brought together the entire school: students, faculty, parents, and alumni. More than a single event, Homecoming stretched over an entire week, the festivities including Volleyball, Field Hockey, and Football games.

Friday, November 1 was Green and Gold day, beginning with a Mortarboard - sponsored breakfast for the Upper School to honor the athletic teams. That afternoon, the all-school pep rally brought the entire

student body together under one roof to rouse school spirit with the cheerleaders and the New Hornet Drumline. Afterwards, Girls' Volleyball played Ursuline.

Saturday, November 2 culminated the celebration, first with a Singers' Reunion Luncheon, and next with a Middle School Football game versus Trinity Valley. Later, students and parents had a picnic and watched the traditional Seventh Grade Balloon Launch.

At 6:00 that evening, Varsity Football kicked-off against Trinity Valley. The game ended in a Hornet victory.

Greenhill Singers and the Jazz Band opened the game with the "Star-Spangled Banner" and the Greenhill Song. Halftime festivities included: honoring Senior athletes and their parents, honoring the Alumni Council, Distinguished Alumni Awards and crowning the Homecoming King and Queen - Abram Castro and Stacy Stiffel. The Alumni had an "After the Game Party" in the Preschool.

An anonymous benefactor enabled Mortarboard to hold the Homecoming Dance in the Gold Room of the Fairmont Hotel. For the first time, a live band - Ultimate Force - played at the dance. A Senior Breakfast at Lael Iozzo's house followed.

Through the combined efforts of Carol Linn, Homecoming Coordinator, Dick Hall, Athletic Director, Mary Meinardus, Mortarboard Sponsor, Wendy Pearce and Elaine Velvin, Cheerleader Sponsors, and supportive students, faculty, and alumni, Homecoming 1985 was an outstanding success.

Thanksgiving Traditions - Pre-School Primer and First Grade

Thanksgiving in the Preschool means the "Thanksgiving Feast." This year, both the Primer and the Preschool were at peak enrollment, so 150 chairs were set up in the Pilgrims' Dining Hall (Hoblitzelle Addition).

The Primer pumpkin bread, Kindergarten apple pies, and Pre-kindergarten cranberry sauce and popcorn all got five-star reviews from the assembled masses.

First graders celebrate Thanksgiving with a traditional Thanksgiving Feast, and they prepare the entire thing! It all starts with a shopping trip to Farmer's Market. The children make bread, bake pumpkin & pecan pies, churn butter, shuck corn and cook over an open fire. Vegetables are peeled & cut for a relish plate, and fruit is chopped for a salad. They even prepare a turkey for roasting.

If all that wasn't enough, the children also make their own costumes - Indians and Pilgrims, as well as, placemats.

TOP RIGHT: Emily, Melanie, Megan and Michelle start to enjoy the special feast.

LOWER LEFT: Carolyn, Andy, Kyle, Megan and Jenny gather around Mrs. Maddy to make butter the old fashioned way.

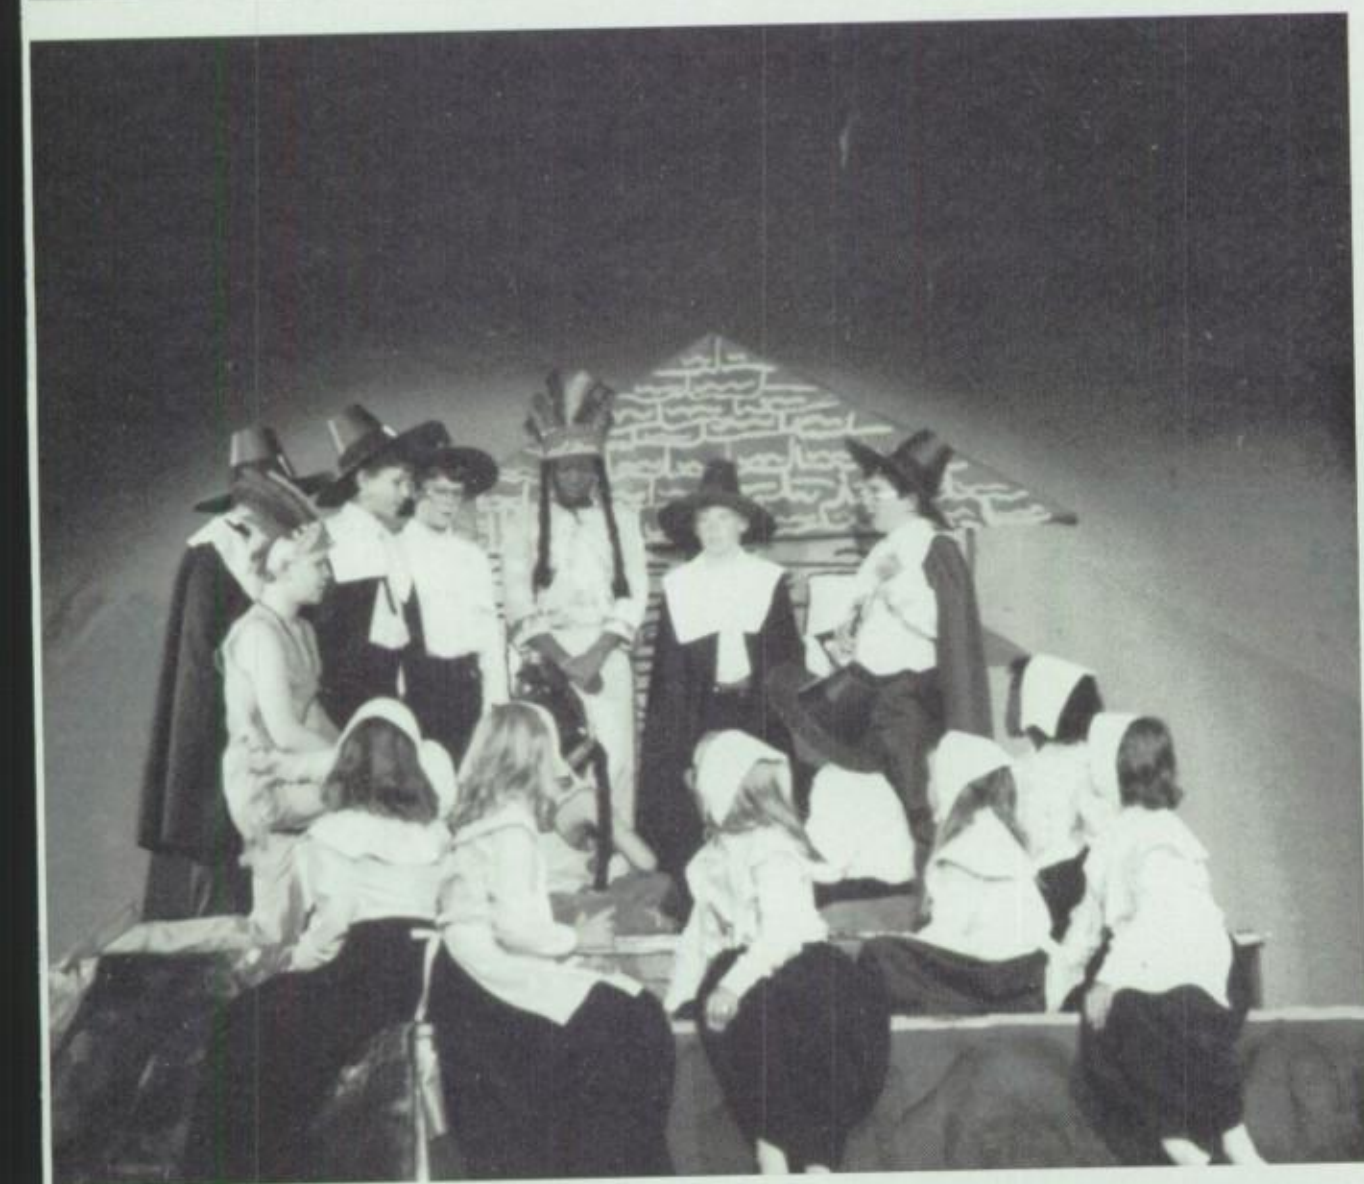

LOWER RIGHT: Angela and Carolyn will always remember the feast.

Fourth Grade Expands Thanksgiving Production

This tradition continued its growth and development in '85. Originally written by Helen Misura for the Lower School, it became part of the social studies curriculum. As the 4th grade grew, new characters and scenes were added; costumes dancing, painted scenery and lights. And new songs grace the contemporary production, with computerized scripts and multi-level staging.

Grandparents Day

More than four hundred and fifty grandparents attended a half-day of school on November 26th. In this, the first year that U.S. students were able to have their grandparents attend, sixty-nine grandparents came for the visitation.

The record crowd of grandparents met in the cafeteria for refreshments, introductions, and remarks by Mr. Foote, who gave recognition of grandparents who travelled the farthest; from Australia, South Africa, and Canada. More than twenty-three states were represented, many from Florida. The grandparents with the most Greenhill grandchildren (five) were Mr. and Mrs. Jack Michaelson.

Grandparents were then dismissed to attend numerous activities and classes that were a part of the special day. At 11:30, grandparents and students were dismissed to enjoy Thanksgiving vacation.

Shane Day - Seventh Grade

The 7th Grade's 'Shane Day' was full of exciting activities. Everyone came to school in Western clothes, and anxiously awaited the judging of the Pie, Cake, Cornbread and Chili Contests. First place winners: Mandy Goldman, (Pie) (Cake) Rayman Kinman; Elycia Soloman, (Cornbread), and David Ziff, (Famous Chili). They each received an apron decorated by Mrs. Montgomery.

The class then feasted on all of the food they had cooked and moved on to the theatre, to perform plays prepared in English classes. Kerri Lee and Makau Elder were proclaimed best actress and actor.

'Bluenight Express' then performed for the seventh and eighth grades, and everyone enjoyed their Bluegrass music, to end a great day.

Our visit to Ft. Worth was more fun than we anticipated. After wandering through the Science Museum, the entire class viewed a magnificent show, *Genesis*, at the Omni Theatre. We looked at priceless paintings, sculptures and photographs, at the Amon-Carter Museum of Art, including many interpretations of the "Wild West."

The highlight of the day was the Ft. Worth Fat Stock Show. There, class members interviewed people who raised everything from rabbits to bulls. We learned many things to describe for our descriptive writing unit, and exercised interviewing skills learned in reading classes. The day was a great success.

Greek Day

Greek Day was a special celebration for the fifth grade's study of Greece.

First, the fifth graders went to the Upper School lecture hall and watched a film strip about Greek art and architecture. The "Gods on Olympus" play was rehearsed and performed later. The students ate Greek foods: spiced meatballs in pita bread, salad, goat cheese with flaky crust, and powdered sugar cookies. The food was much enjoyed. Mr. Cronus demonstrated Greek dancing. Mr. Cronus' parents were Greek, and they taught him many Greek customs and laws.

One of the most enjoyed activities was the movie, "Clash of the Titans," which the fifth graders watched in the lecture hall.

Athena's Poem

Godess of wisdom, I gave the olive tree
As my gift to Athens, the city named for me.
Daughter of Zeus, I sprang from his head,
Through peace and through war,
Great armies I've led.
So skillful at pottery, a master of weaving,
I turned Arachne to a spider for deeds unbelieving.
I brought beauty to Athens through crafts and arts,
And will long be remembered deep in their hearts.

Middle School Talent Show

In the Spring of 1985, the Middle School students responded to the famine in Ethiopia by collecting funds to be distributed by World Vision, Inc. Concern for the Ethiopians' plight motivated the students to raise more money in '86, by sponsoring the Middle School Talent Show. Six Middle Schoolers coordinated the show, Katharine Kirby, Amy Tannen, Philippe Han, Andy Gilbert, Alex Helderman, and Jason Ginsburg. A teacher sponsor from each grade helped with publicity, refreshments, programs, and ticket sales.

Solos and duets, both vocal and instrumental, and skits, provided the entertainment for the show, which raised \$500. First place in acting went to Kevin McKay, Tom Kelton, Mark Tamim, Joe Ward, and Michael Ross, for their "Sesame Street" skit. Sarah Sentilles won first place in the piano competition with "Invention #8," and Barry Marcus, accompanied by Ikoyi Winn on the drums, won first place in electronic music, with "Axel F."

Teacher Appreciation Day

1986 was the tenth anniversary of the Teacher Appreciation Day luncheon, sponsored by the Parents Association. Mrs. Vita Boswell, president of the P.A. in 1976, felt that a special luncheon, set aside in the busy teaching day, was a good way to honor the Greenhill faculty and administration.

This year's chairman, Linda Dunn, had plenty of volunteers sign up to assist with classroom and playground supervision, as well as, preparation of the "Mexican Fiesta" motif and menu.

The faculty thanks the Parents Association for continuing this special tradition.

"Strider," based on a story by Leo Tolstoy with music by Mark Rozovsky, is a play about Strider, a piebald (splotted with many colors) horse who is ostracized, mocked, and gelded all because of his appearance. He is bought and befriended by a Russian Hussar, Prince Serpuhovsky and proves himself in a race. The Hussar later neglects and sells Strider because of an obsession with a lost mistress. Years later, the Prince, a broken man, sees but fails to recognize Strider, who is put to death after telling his story to the other horses in retrospect. The show was performed on October 26th and 27th by an Upper School cast.

LOWER RIGHT: The Groom (Philippa Strelitz) frowns at Strider's patchwork coat right after he is born.
 LOWER LEFT: Strider (Scott Lambert) is taunted and later kicked by the herd for being a piebald and a gelding.
 CENTER LEFT: Strider and the Horse Ensemble proudly pose in character.
 TOP LEFT: The happiest moment of Strider's life comes when he wins the race for Prince Serpuhovsky (David Marcus) and his groom Feofan (Brandon Camp).

Sorrow and joy are one.
We must have both, or none.
Both have the power to heal.
Both teach the heart what is real.
They show us to live is to feel.

The Greenhill Speech and Debate Squad is one of the finest and is nationally recognized. The Debate Squad has an overall win percentage of 70% and is in the top 20 squads in the nation with respect to debate excellence. In addition, the Greenhill Squad has placed in the top five in sweepstakes at every tournament this year and won sweeps at Plano East Senior High School and Plano Senior High School; at Vines, Greenhill placed third overall. Greenhill's excellence in debate and individual events has been rewarded with invitations to such prestigious tournaments as the Montgomery Bell Academy Round Robin and the Harvard University Forensics Tournament.

Greenhill's debate squad has been led this year by Jon Buchmeyer and Julia Erwin who are in the top 20 debate teams in the nation. Jon and Julia have competed in numerous national tournaments this year: Wake Forest University Round Robin and the St. Marks Debate Tournament, to name two. At the Emory Barkley Forum Tournament, Julia was named twelfth speaker out of over 300 debaters, and at both Wake Forest and St. Mark's, Julia was named second speaker. Jon and Julia also competed at the Mars Hill Bible School "Blue & Gray Classic" where they compiled a record of 4-6. While the rest of the squad was busy winning sweeps at Plano Senior High School, Jon and Julia participated in the Montgomery Bell Academy Tournament in Nashville, Tennessee. After going 5-1 in the preliminary rounds, Jon and Julia were fifth seed and won fifth place overall. In addition, Julia was named tenth best individual debater out of over 125 debaters from across the nation. One week earlier, Jon and Julia competed in the St. Thomas More Invitational Round Robin in Lafayette, Louisiana. They placed second overall while Julia was honored as third speaker of the tournament. Jon and Julia's excellence in debate has helped the Greenhill become nationally recognized and will represent Greenhill at nationals in Tulsa this summer.

Cavalcade -

As journalism, and an historical document, the *Cavalcade* spans the year and the entire school; its production involves primarily Upper School students, who take part in all aspects of completing the book.

Middle School students start training early by helping with their section, under the guidance of Mr. Jeff Nordgren, Assistant Head of Middle School.

Ms. Sandra Stevenson is the yearbook sponsor. She enlists her photography classes to provide a large portion of the book's pictures, but any Upper or Middle School student may be on the staff. Ms. Stevenson appoints the editorial positions.

Work on this year's *Cavalcade* started with summer planning sessions. Several staff members also attended yearbook workshops at SMU and UT at Austin. After they returned, workshop was held at Greenhill by the publisher. Upper school students work at home, during free periods, and at weekend workshops to get the book completed.

Evergreen

This year the *Evergreen* was reorganized. An Editorial Board was established, consisting of: Editor-in-Chief (David Matyas), Assistant Editor (Alison Murdock), Production Manager (Anna Lee Parks), Ads Manager (Jason Leeds), Communications Manager (Cathy Myers), Business Manager (John Warren), Graphics Editor (Stephanie Brazill), and sponsor (Dr. Marilyn Stewart).

The Editorial Board was created to make decisions on organization, staff problems and related topics. Last Summer, the board established goals for the paper, which are published in each issue, to broaden the scope of the paper to include all of Greenhill. As a result, student involvement increased significantly.

All students are now welcomed to work on the paper. Consequently, *Evergreen* became more than just an Upper School newspaper: a publication that the Preschool, Lower and Middle School also appreciate.

Evergreen improved its content by probing deeply into divorce, poverty and suicide. It retained balance by emphasizing Greenhill Sports, Arts and Entertainment in school and around Dallas, and student humor.

Thanks to these, and many other contributors:

Upper School - Student Council

The Greenhill Upper School Student Council is representative of the student body. On committees, as individuals, and as a group, members of the Student Council work to form and follow school policy and help co-ordinate student activities; they work to raise the quality of life at Greenhill.

It is the function of the Student Council to assure participation on all levels and work with faculty, administrators and trustees. Representatives are elected by classes and officers by the entire student body.

The Student Council continued, revived, and began many traditions at Greenhill this year. The Tenth Annual Upper School Mixer welcomed freshmen, new students and old, alike, back to school at the start of the year. The Council continued to help needy families as it raised money with a Trivial Pursuit Tournament to buy Christmas presents for underprivileged children. The first Martin Luther King Jr. holiday was recognized as the Council organized an assembly with guests speaking about Dr. King. Furthermore, Arbor Day returned to Greenhill for the first time in years on account of the Council's efforts. Student Council representatives also continued to help make decisions regarding the Upper School by serving on the Academic, Disciplinary, and Rules and Regulations Committees. President: Andrew Foote, Vice-President: Clay Deniger, Secretary-Treasurer: Chip Hunter, Senior Reps: Carey Fitzmaurice, Chris Mulder, Kyle Rovinsky, Junior Reps: Kirk Dunk, Matthew Henderson, Lisi Hogue, Sophomore Reps: Cathy Meyers, Bobby Murphy, Doug Silver, Freshman Reps: Jason Massman, Joni Norris, Olivia Block.

Middle School - Student Forum

The Student Forum, elected by Middle School students and sponsored by Lucinda Carter, undertakes several projects. This year's officers were Doug Levy (President), Matthew Dunn (Vice President), Sarah Sentilles (Secretary), and Corey Pride (Historian). Even before classes began, they held a new student orientation, which was followed by a Host/Hostess program and the New Students' Ice Cream Social. Traditionally, the Student Forum members also serve as Grandparents' Day guides and Sponsor International Day. An exciting new activity this year was *Students With A Problem* (SWAP), a committee meeting every two weeks to hear Middle Schoolers' complaints and suggestions.

Student Forum: L-R : A. Tannen, K. Williams, M. Bond, C. McDaniel, H. Barnett, S. Sentilles, E. Natinsky, K. Lee, J. Burton, D. Levy, H. Gary, D. Fleming, T. Bennett, J. Oldham, C. Pride, E. Bernstein, B. Clark, M. Partee, Mrs. Carter, A. Dunn.

SPORTS

Number One perfectly describes the jubilant girls' field hockey team, as they celebrate an SPC championship, their first in several years. Victory is one of the very best things to celebrate.

Football Has Strong Season and Captures M.I.S.C. Title

The 1985 football season began in mid-August with a team of hard workers aiming for another successful year. The team consisted of almost every starter from the 1984 squad which promised a strong showing again. Early in the season, the Hornets were plagued with several injuries to key players such as John Perryman. The first few games were all easily won by the Hornets. In the third week, the team faced a top private school, Dallas Christian. Unfortunately, the Hornets lost the game by a score of 6-7 to this team which would eventually become the state champs. In the first S.P.C. game of the season, Greenhill faced Cistercian. The Hornets suffered a setback when senior Marc Buffin broke his hand early in the first half. Fortunately, Junior Jeff Fiedelman was able to step in at the quarterback position and proved to be a worthy replacement for the remainder of the season. The outcome of the game was a 47-22 win for the Hornets. Greenhill destroyed St. Stephens the next week and then began to prepare for their match with Holland Hall. The game with the Dutchmen was played in dense fog and was close until Colin McCarty broke free and scored. Greenhill finally walked away with 9-3 victory over their Oklahoma opponents. In the following weeks, Greenhill demolished Fort Worth Christian and T.M.I. Finally, Homecoming appeared featuring long-time rivals Trinity Valley as opponents for the Hornets. In front of a large crowd, the Hornets were able to engineer an exciting come-from-behind win with only 19 seconds remaining. It was a short toss from left Fiedelman to Marc Buffin which gave the Hornets a 19-16 lead and, finally, a victory over the previously undefeated Trojans. The next week, after the emotional Homecoming win, the Hornets had to face Trinity Valley again, but this time for the S.P.C. championship. This time, the game didn't go quite as well for the Hornets. Trinity Valley defeated Greenhill 0-7 giving the Hornets their second loss of the season. Overall, the 1985 team had a strong showing with only two losses and the possession of the M.I.S.C. championship. Next year will be a difficult one due to the loss of the many seniors. They played an important part in the development of a strong football program at Greenhill and will be missed in the future.

Varsity Has Comeback In SPC With 4-1 Record

This year, the girl's volleyball team had a remarkable season. The Varsity started out on a down note with many consecutive losses, but with some extra hard work, the team engineered a comeback. The workouts finally began to pay off when Greenhill won its first game over ESD and had an impressive showing in the North Zone games.

Entering into the final weekend of SPC, the girls found they had nothing to lose and everything to gain. Because of this attitude, the team walked away with wins over T.M.I., St. Stephens and Kincaid, and they only lost one game to tournament favorite St. Johns. These wins gave the team a fourth place finish overall in the conference. Lela Rose, Donna Budd, and Diane Budd all received Honorable Mention for their consistent efforts in the tournament. The rest of the team, mainly consisting of Juniors, played an important part in SPC and the regular season. With the strong core of experienced Juniors led by this year's captain, Lela Rose, and with the help of returning underclassmen, only improvements upon seasons of the past seem probable for the 1986 fall season.

Boys Volleyball Makes Its First Season A Victorious One

For the first time in five years, there was a boys volleyball program. There were twenty-seven boys when the season began competing for twelve varsity positions. After Coach Blandy Fisher made the final cuts, the team was ready for action.

In the first game the team was severely beaten by St. Marks, but they avenged their loss in a later game at Greenhill. The team posted a win against ESD and went on into an ESD tournament with high spirits. The Varsity, with much hard work, came away with first place in their possession.

The team continued its winning ways in regular season games as the SPC championship drew near. When SPC arrived, Greenhill was upset by ESD in the first game; but the team pulled together to win the remainder of their games and the SPC title. The team was led by captains Alan Hunt, Scott Lipscomb and Bobby Murphy. Both Scott and Bobby earned All-SPC with Scott also being awarded MVP. The team is only losing two starters which makes the chance for a second title look highly attainable for the 1986 fall season.

Capture of Division II Title Gives Varsity Most Successful Season in Years

The Varsity Field Hockey team, with its hard work and determination, proved to be the Cinderella team of the 1985 season. Although the year began slowly with a brief streak of losses, things began to change when the Hornets took the Division I Champs, Holland Hall, into a stroke-off to determine the victor of the 0-0 game. Two successive wins over Trinity Valley increased team spirit, but the team failed to beat long time rivals, Hockaday. The team's enthusiasm pursued, and the Hornets entered into S.P.C. with the Division II title within their grasp. A third expected win over Trinity Valley gave no indication to the climax of the season in the next game against Hockaday. The Hornets played with a high intensity and succeeded in gaining revenge over Hockaday with a remarkable 5-0 win. The last game, a hard fought game against St. Stephens, resulted in a 1-0 loss, but the Hornets still captured the title from the three way tie for first place by a tie breaker which was determined by goals allowed. With only one goal to Hockaday's seven, the Hornets finally owned the elusive title and became the Division II champs.

The successful season was attainable due to the committed efforts of the 1986 Seniors. The leadership and ability which the Seniors contributed will be hard to replace. The team will also miss the dedicated efforts of Coach Gorman. In S.P.C., Anna Lee Parks, Amy Sigman, and Scottie Pearson all received Honorable Mention. Jennifer Goodnight, Katherine Grossman, and Captain Stacy Stiffel each received Second Team while Kathryn Hamm received All-Conference. Also, in the M.I.S.C. conference, Kathryn Hamm and Stacy Stiffel received First Team. In addition, Kathryn Hamm also received the MVP award.

Young Varsity Team Has Promising Season

The 1985 Greenhill Boys Cross-Country team had a rebuilding season. Due to the loss of 7 of our top 11 runners from 1984, we had only 2 returning team members from the varsity squad. Our inexperience and lack of a 5th runner early in the season were costly as was indicated by our team scores. But there was a lot of hard work provided by the sophomore and freshman runners who will be the nucleus of our team in the coming years. We should have a good team next year with the addition of six very good runners from the middle school team.

The top team finishes during the season were:
 Sept. 7 - Greenhill 6-mile Relay - 2nd place
 Oct. 23 - Dual Meet with Trinity Christian - 1st place
 Nov. 2 - M.I.S.C. Championships - 2nd place

The varsity letter winners were:
 Jamie Lerner - 17:19 - MVP, All-SPC, All-MISC
 Pierce Marshall - 17:31 - Captain
 Eric McQuaid - 17:44
 Jimmy Laurito - 17:57

Experienced Girls Squad Wins Second Consecutive SPC Title

The 1985 Greenhill Girls Cross-Country team had a very successful season this year. At the outset of the season, there was a lot of pressure on the girls to run well every week and to place high as a team. There was also the demand of defending last year's SPC victory, and we wanted to prove that we had one of the better teams in the metroplex. Well, after a lot of hard work and perseverance the result was that GREENHILL IS STILL #1.

The season culminated with Greenhill placing 1st at S.P.C. in Dallas. The team was led by All-Conference runners Nicole Payseur, Stefani Dardaganian, and Captain Katy Cassidy.

Greenhill's Junior Varsity team won 2nd place at the Lancaster Meet and placed 2nd again at S.P.C. They were led by Jennifer Lowery, Lisa Fechtel, Alison Murdock, and Jennifer Ternoey. Next year, the Varsity squad should be strong again with five returning lettermen.

The following girls earned a varsity letter.

Nicole Payseur - 13:08 - MVP, All-MISC, All-SPC

Stefani Dardaganian - 13:56 - All-MISC, All-SPC

Varsity Sets Conference Record With 5 Consecutive S.P.C. Championships

As talented as any Greenhill soccer team, the 1986 team encountered a bumpy road en route to a fifth straight Southwest Preparatory Conference championship. This can best be seen in the Jesuit Tournament, where the Hornets beat defending 5A State Champs, Richardson, but then lost in the finals. Discipline eventually smoothed out this path, after the team suffered two devastating defeats, at the hands (feet) of Jesuit and St. Mark's.

The S.P.C. tournament brought out the best in this Hornet team, as they played up to their potential in consecutive games. Playing their best soccer, the Hornets coasted through the tournament undefeated, outscoring opponents 16-3, included a 3-0 thrashing of St. Mark's. Never before has one school captured five consecutive S.P.C. titles in soccer or any other sport. The team record was 17-3-1.

In S.P.C., John Perryman, Marc Buffin, Andrew Foote, Joel Cohen and Bobby Murphy had outstanding performances and gained All-Conference awards. In M.I.S.C., the Hornets captured the title, and Marc Buffin, Bobby Murphy and Ricky Loconto were 1st Team.

Overall, Marc and Bobby had the most productive seasons, with Marc scoring 20 goals, and Bobby scoring 8, after coming out of the goal in mid-season. Coach Hall named them Most Valuable Players of 1985-86.

Strength in Regular Season Leads Varsity to M.I.S.C. Championship

When a team wins two consecutive S.P.C. championships, it gains respect from the opposition. Respect has been earned by the Hornets. Many key players graduated in 1985 and gave 1986 the label of a "rebuilding year." Even so, we set our sights high.

Early indications looked good. We played well and captured the M.I.S.C. title over Hockaday, E.S.D. and Trinity Valley. We were hurt by injuries and some youthful errors. A few lucky breaks would have given us our third straight S.P.C. title.

Our success this year was mostly due to our veteran senior players - Gina Prigoff, Katy Cassidy, and Stacy Stiffel. Gina gave her best effort and had her finest season.

Katy and Stacy were members of the first team to reach Division I, the first players to contribute to four consecutive Division I seasons, the only two players who played on the first Greenhill S.P.C. championship girls soccer team, and helped give Coach Hornbach his first gray hair. All three girls' soccer skills will be missed, but not quite as much as their leadership, positive attitude and (sometimes off-beat) sense of humor.

Katy Cassidy and Captain Kathryn Hamm received ALL CONFERENCE honors for their efforts in S.P.C. Kathryn Hamm, Katy Cassidy, and Lori Volkman were named to the first team in M.I.S.C. Kathryn Hamm was named Most Valuable Player for her outstanding performance in 1986.

Boys Basketball Has Winning Season With Division I Standing and 11-8 Record

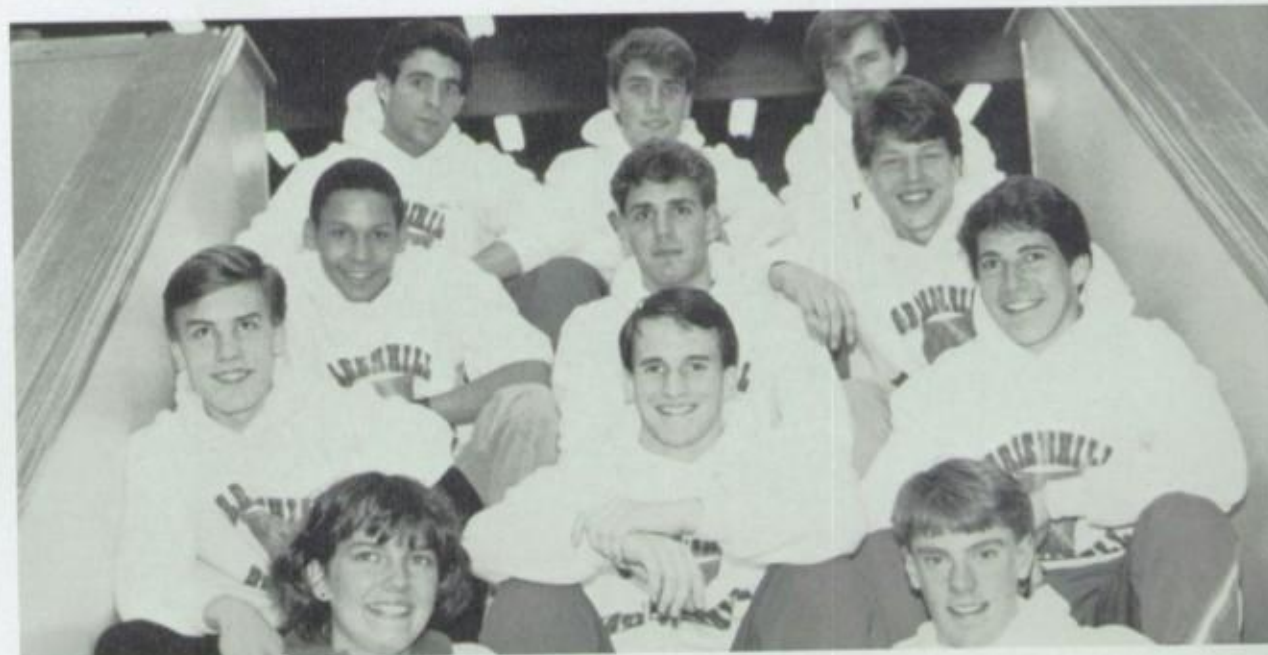

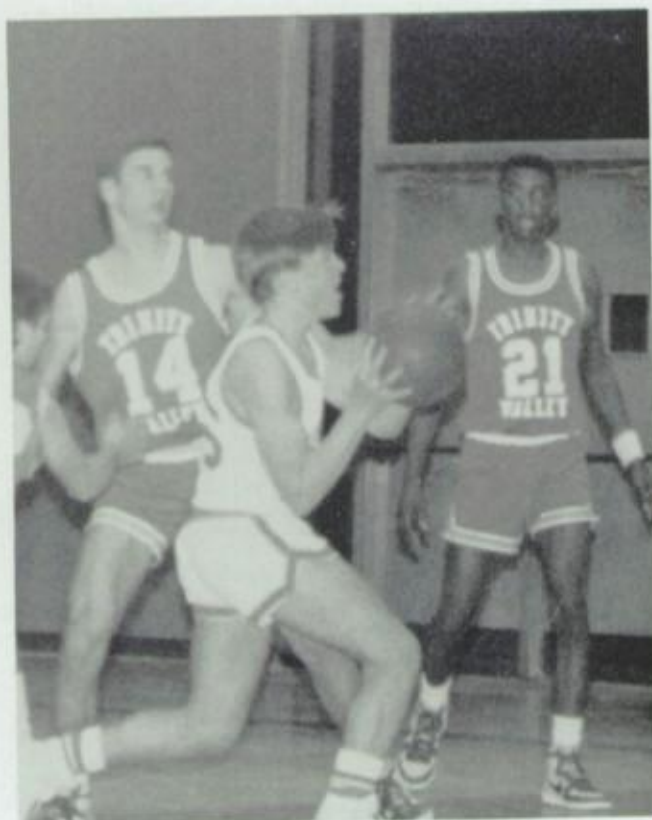

Greenhill Boys Basketball team posted a winning record this year. The team consisted of three seniors, six juniors, one sophomore and a freshman. Coached by Bob Murphy, they accomplished several unexpected feats: they were co-champions of MISC, they played in Division I of the SPC tournament, and they beat St. Mark's.

The season opened with the Hornets' strong fifth place showing in the Adidas Private School Tournament, as they defeated teams such as FWCD and Trinity Christian. The team then split two games with Trinity Valley, each decided by a shot at the buzzer. Two easy victories over Cistercian also provided hope for the Hornets in their SPC games.

In their first SPC game, perhaps their best showing of the year, the Hornets handily defeated FWCD. The following day they traveled to Tulsa where they fell victim to the experience and size of Casady and Holland Hall. The following week, they faced St. Mark's for a third time. The Hornets had lost to them twice, but this time they beat the odds. For the first time ever, Greenhill defeated St. Marks. They completed conference play with a victory over ESO.

A 3-2 SPC record made the Hornets the number three seed in the conference tournament. They lost by narrow margins to both St. Stephen's and Casady. However, in the third game, the Hornets, in a run and shoot fashion, defeated St. John's.

The 11-8 season was sparked primarily by the team's underclassmen. Junior Jimmy Nolte received Honorable Mention - SPC for his efforts. Nolte and junior Jeff Fiedelman were named to the all-MISC team. Fiedelman was also named the team's Most Valuable Player. Team captain Jeff Paillet provided the necessary leadership for uniting the team. The Hornets will return with eight lettermen, and should be contenders for next year's SPC title.

Qualification for Division I in S.P.C. Makes 1986 Best Season in Years.

No one expected anything from the Girl's Varsity Basketball Team this year, BUT, everyone was wrong. An unprecedented twenty-four girls came out for the team, ready and willing to turn the Hornets around. Because of the number of girls, there were enough for both a Varsity and Junior Varsity team.

The first win came against Word of Faith and set the pace for the rest of the season. The Varsity team destroyed Dallas Academy 58-16, giving them more confidence. Support came from devoted coach - Mark Parichini, who provided leadership throughout the season.

The Hornets beat E.S.D. at home, by one point, to put our girls in Division I of SPC Conference for the first time in many years. With the guidance and leadership of co-captains, Lael Iozzo and Cheramy White, the girls traveled to Trinity Valley to do battle against Hockaday and Holland Hall.

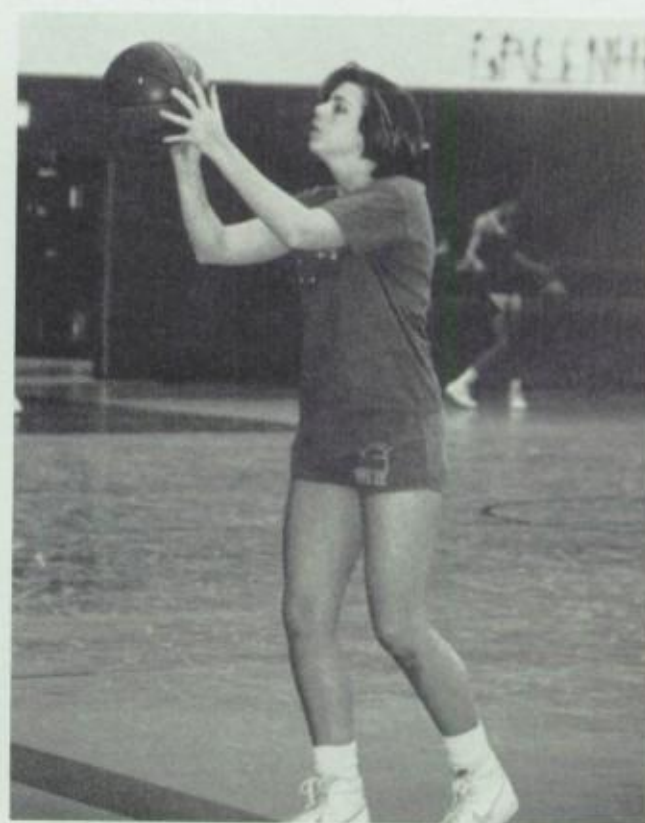

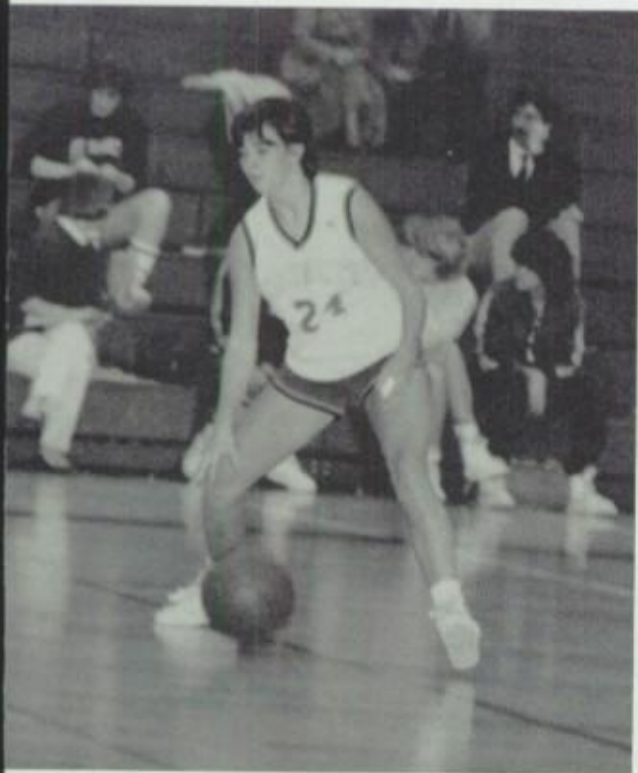

During this year's SPC weekend, nothing could top the experience the girls received. This year's MVP - Cheramy White, point guard, was named to MISC All Conference for her outstanding contributions to the team. Varsity starters, Joni Norris, Angela Adkins, Susan Brice and Lael Iozzo helped lead the Hornets in their turn-around season.

A special thanks to the coach, without whom none of these accomplishments could have happened. Gracias!

Middle School Cheerleaders

The Middle School Cheerleaders began their year at S.M.U. cheerleading camp, where they learned new routines and honed their skills. The squad cheered for football and basketball games, and pep rallies for all teams.

In April, they gave their final rally, honoring past and future teams, and gave the Spirit Award to the 8th grade girl who showed the most school spirit.

Ms. De Penaloza, their sponsor, did a fine job.

Upper school Cheerleaders

This year brought a change in cheerleading:

A Junior Varsity squad. All the cheerleaders spent a hard week training at S.M.U. during the summer.

The cheerleaders promoted school spirit during homecoming week by selling mums, ribbons and pins, and decorating the Upper School building.

Mrs. Pearce and Ms. Velvin gave energetic support to both squads, and school spirit grew with doubled enthusiasm.

Dear Christine,

Seeing the terrified look in your eyes as you meet "Santa" for the first time makes me think that "you've come a long way, baby!" Since then you have become an independent, trusting and self sufficient young lady who is ready and prepared to face what lies ahead.

I am so very proud of the way you have dealt with the wonderful education offered to you by Greenhill. Motivated only by good teachers and yourself, without much help from busy me, you have made my sending you to Greenhill a pleasure and reimbursed me fully by what you have become - a truly neat person.

So hang in there and keep on going the way you have been. As you can see I had that terrified look in my eyes once too!

Love, Mom

These two pages don't have enough room for us to thank Coach Holodak for all he has done. He always gave more than he had to . . . this includes credit, time, patience, and hill workouts. He brought girls cross-country to existence, then to an S.P.C. championship, and then to a winning sport. This past year also was our biggest in terms of spectators (thank y'all spectators, too). Coach turned cross-country into something. There is not much more one can write about her/his coach when one is not given 4,000 pages to say what all can be said.

After 5 years with my coach, all I can say is that I'll miss him and thanks . . . a lot. From those that are not graduating, a big thank you and see you out there again in three months.

All our respect for you, from the boys and girls x-c team.

"We don't want any pulled muscles!"

True friends are those special ones,
 Who share joys, sorrows and fun,
 Who give understanding, love and care,
 Who will never change, who are always there,
 Who with smiles and waves must say goodbye,
 But will remember, though they cry,
 That true friends never really part,
 But remain forever in the heart.
 Good luck, thank you and I love you,
 Michele

Thanks for everything Mrs. Gorman - THE CHAMPS

I'm not going down on my knees
begging you to adore me
can't you see it's misery
and torture for me
when I misunderstood
try as hard as you can
I tried as hard as I could
to make you see
how important it is for me

Here is a plea
from my heart to you
nobody knows me
as well as you do
you know how hard it is for me
to shake the disease
it takes hold of my tongue
in situations like these

understand me
understand me
understand me
understand me

Some people have to be
permanently together
lovers devoted to each other
forever
now I've got things to do
and I've said before that
I know you have too
when I'm not there
in spirit I'll be there

"Men who love humanity have all dreamed at least once during their lives of helping their fellow men achieve a state of carefree happiness, and only the world of theatre ever really succeeds in doing this for a moment or perhaps two - and this is a long time, and that is why I love theatre."

Besides fieldtrips, campouts, and spring sports, the last trimester of the year brings many wonderful celebrations no less important than those included in the Cavalcade. A spring-delivery yearbook is the final celebration of 1985-86, but because of printing time certain events cannot be covered.

To give these celebrations some of the recognition they deserve, they are listed below. Being a part of Greenhill is one continuous celebration of excitement in learning, expression of individual talents, and striving for goals. *The celebration continues!*
